

# ONLINE CASINO

VERSUS

# OFFLINE CASINO

COMPARING THE 2 TYPES OF GAMBLING

A variety of promotions and bonus programs are available to everyone

Only loyal customers can count on promotions and bonuses

A wide range of deposit methods and a choice of currencies

The payout frequency is limited, it is difficult to win a significant amount

The opportunity to play in demo mode. Also, the gambling hall/room itself is visited for free

A risk of distraction by external factors - surrounding bystanders, music, smells, etc.

Respect the identity privacy, all the information given at registration is kept strictly secret

Possibility to read the psychology and emotions of opponents where participants are face-to-face
